HOOFLAND'S GERMAN BITTERS,

AND

Hoofland's German Tonic.

THE GREAT REMEDIES
FOR ALL DISEASES OF
THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixtures of any kind.*

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

Hoofland's German Bitters,

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medical virtues, the choice between the two being a mere matter of taste, the Tonic being palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is, or has been, the first to have the functions deranged. The Liver, sympathizing as it does with the Stomach, then becomes affected, the result of which the patient suffers from several or more of the following diseases:

CONSTIPATION, FLATULENCE, INWARD PILES, FULLNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEART-BURN, DISGUST FOR FOOD, FULLNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, DULL PAINS IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, ETC., SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGINING OF EVIL, AND GREAT DEPRESSION OF SPIRITS.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from the most investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS
AND
HOOFLAND'S GERMAN TONIC.

PREPARED BY *DR. C. M. JACKSON,*
PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach, or Bowels.

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, Induced by Severe Labor, Hardships, Exposures, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into the veins, restore to the system the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health; or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK & DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MALARIA, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, but space will allow of the publication of but few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa., writes:

Philadelphia, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly,

GEO. W. WOODWARD."

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania.

Philadelphia, April 29, 1866.

"I consider 'Hoofland's German Bitters' a valuable remedy in attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eighth, below Coates St.

From Rev. E. D. Fendall,

Assistant Editor Christian Chronicle, Philada.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours truly,

E. D. FENDALL.

AIR—"*Red, White and Blue.*"

Our banner we give to the breeze;
Fling wide its broad folds to the air!

Three cheers, then, for Seymour and Blair!

Three cheers, then, for Seymour and Blair—
To country and Union so true!
Ah! well may the patriots wear
Their colors of red, white and blue!

No dummies should govern us now,
When mismanagement threatens to o'erwhelm;
We need a keen eye at the prow,
And a steady old hand at the helm!

Franklin and Mountpleasant!

Two Democratic meetings will be held TO-MORROW (SATURDAY) EVENING—one at the public house of Samuel Eicholtz, in New Salem, Franklin township, and the other at the public house of Conrad Wagner, in Mountpleasant township. C. M. DUNCAN, Esq., the Democratic candidate for the State Senate, will address the New Salem meeting. Several speakers may be expected at Wagner's. The friends of Lower Taxes and a White Man's Government are urged to come out to the meetings in force.

ANOTHER POLE RAISING IN LITTLESTOWN!

The friends of Seymour and Blair will raise a Hickory Pole, in front of the hotel of John Green, in Littlestown, on SATURDAY AFTERNOON, the 26th of SEPTEMBER instant, at 2 o'clock. Speaking in the evening. Democrats of the lower end, rally in your might!

County Mass Meeting!

A grand MASS MEETING of the friends of SEYMOUR and BLAIR will be held in GETTYSBURG, on SATURDAY, the 10th of OCTOBER next. The State Central Committee will supply several distinguished speakers. Full announcement hereafter.

TEN thousand dollars were squandered by the Radicals on the impeachment trial—a movement intended to put despotic power in the hands of such men as Butler, Ashly, and their associates. This is the way taxes are increased.

FORTY thousand dollars taken out of the pockets of white workingmen in the North was devoted by Congress to the maintenance of an army of idle negro voters in Washington, who might take the national capital out of the hands of its white citizens.

OLD BERKS is organizing thoroughly. Look out for thunder in October.

DEMOCRATS, TO WORK!

The Democracy of the old Keystone *are organizing in every quarter.* They feel that much will depend upon this State in October—that success then will make victory easy in November.

Democrats of Adams, are you all alive to the GREAT IMPORTANCE of this work? The overthrow of Radicalism in the country may hang upon its accomplishment.

With a full vote, Penn-sylvania is CERTAIN to go Democratic at the October election. There is no room for doubt on the point. We have the votes to do it. But they must be polled to be worth anything—here, as well as in all other parts of the State.—Adams has her share of the work to do. Let it be commenced at once in *every* district, so that it may be THOROUGHLY done!

HONEST AND CAPABLE.

The Democratic party presents to the People of Adams county for their support—

Charles E. Boyle for Auditor General,

Gen. W. H. Ent for Surveyor General,

Judge Kimmell for Congress,

Calvin M. Duncan for Senator,

Dr. Dill for Assembly,

Jacob Melhorn for Prothonotary,

Col. Kuhn for Associate Judge,

Wm A. Duncan for District Attorney,

Moses Hartman for Commissioner,

Benj. Deardorff for Director,

Capt. Heagy for Auditor,

Jesse D. Keller for Surveyor.

All are HONEST and CAPABLE; and stand upon the platform of hostility to Radical extravagance, corruption, and despotism. They favor economy and reform, that the burdens of the people may be lightened, and the obligations of the government honestly met. They believe that white men should rule, and oppose the policy of giving to the negroes the balance of power in the land. Men of all parties, think of this.

THE CAMPAIGN.

The Chairman of the Democratic State Central Committee announces a series of Mass Meetings to be held throughout the State. Hon. George H. Pendleton, Hon. J. R. Doolittle, Hon. S. S. Cox, Hon. Montgomery Blair, Hon. Wm Bigler, Hon. Hiester Clymer, Col. J. K. Kerr, and Hon. Richard Vaux, are among the speakers who are posted for speeches at different points. Other announcements will be made from time to time. The contest will deepen in interest with the passage of each day between this and the October election, and no effort will be spared to increase the majority which our candidates for State offices are sure to receive.

THADDEUS STEVENS & THE BONDS.

Extract from the speech of Thaddeus Stevens, in the House of Representatives, in July last.

Mr. Stevens said that

"If he knew that any party in the country would go for paying in coin that which was payable in money, thus enhancing the debt one-half, if he knew there was such a platform and such a determination on the part of his own party, he would, with Frank Blair and all, *vote for the other party. He would vote for no such swindle on the tax-payers of the country.* He would vote for no such speculation in favor of bond-holders and millionaires. He repeated (though it was hard to say it) that even if Frank Blair stood on the platform of paying according to the contract, and the Republican candidate stood on the platform of paying bloated speculators twice the amount agreed to be paid to them, and of taxing his constituents to death, *he would vote for Frank Blair; even if a worse man than Seymour was on the ticket.*" [Much excitement and acclamation.]

MAINE ELECTION.

At the last test vote in Maine, (1866,) the Radical majority was nearly 28,000. The result of last Monday's election is thus stated in a despatch to the New York *World*:

Bangor, Maine, September 16.—The Republicans of this city, including the Hon. Hannibal Hamlin, are greatly discouraged at the result in this State. They had confidently counted on 25,000 majority for Chamberlain. Returns received to day indicate that it will not exceed 15,000, which is a Democratic gain of nearly 13,000, from 1866, the last test vote in the State.—The Democrats throughout the State are jubilant, it being conceded before the election that anything less than 20,000 Republican majority would be a Democratic triumph. For ten days before the election the Radicals freely bet on from 20,000 to 25,000 majority. Large sums of money have changed hands to-day, the Radicals paying up their bets. In the cities and a few large towns, where the Radicals hold absolute control of the polls, they made large gains over last year, but the country towns generally show large Democratic gains. The Radicals have spent half a million of dollars in this election.

CHARLES W. ROBERTSON,
E. W. FLAGG.

The figures of last year are no criterion, as the Republican vote then fell off largely on local issues, resulting from an odious constabulary law which they hastened to repeal, and unpopular liquor law, the penalties of which were promptly modified.

ALTON, ILLINOIS!

The Democrats have carried Alton, Illinois, by a large majority—being an extraordinary gain. A despatch says the State looks well, and adds, "Look out for squalls that will tumble the Radicals about like bundles of straw."

THURSDAY EVENING NEXT!

Democrats of the county, bear in mind that JUDGE KIMMELL and C. M. DUNCAN will speak in the Court-house, in Gettysburg, on THURSDAY EVENING NEXT! Come from all quarters to hear them, and you will not regret it.

BE ASSESSED!

All who are not already assessed, should see to it at once. Remember, it must be done at least ten days before the election.

FIGHTING DICK COULTER has come out for Seymour and Blair. He was one of the best fighting Generals in the war, and is a speaker of much power. He has already made a speech at Greensburg in favor of the Democratic nominees, and will stump Western Pennsylvania. The Radicals are sorely troubled about Fighting Dick's defection, and well they may be. Such blows *hurt*.

IT costs SIX THOUSAND DOLLARS per annum more to "run" the Auditor General's office, under General Hartranft's administration, than under former administrations. See annual reports of that department.

Do you want to work to keep niggers and carpet-baggers vote for Grant and Colfax.

KEEP IT BEFORE THE PEOPLE.

That since the Radicals have had possession of the State Government, SIXTY-FIVE MILLIONS OF DOLLARS have been received at the State Treasury, only four millions of which have been applied to the payment of the State debt.

KEEP IT BEFORE THE PEOPLE that since the Radicals came into possession of the State Government, TWENTY-FIVE MILLIONS OF DOLLARS were received at the State Treasury, which under the law, should have gone into the Sinking Fund for the payment of the State Debt, and that TWENTY-ONE MILLIONS of that sum went somewhere else.

KEEP IT BEFORE THE PEOPLE that the Radicals have increased the rate of interest on the State Debt from 4½ and 5 to 6 per cent., making the interest $202,000 per annum more than it was under Democratic rule.

KEEP IT BEFORE THE PEOPLE that during the ten years of Radical ascendancy in the Legislature, the expenses of that body were ONE MILLION, ONE HUNDRED AND TWENTY THOUSAND DOLLARS more than the preceding ten years of Democratic ascendancy.

KEEP IT BEFORE THE PEOPLE that the Auditor General's office, under Hartranft, has cost nearly $20,000 more than under his predecessors.

KEEP IT BEFORE THE PEOPLE, that the Radical Auditor General, Hartranft, and the Radical State Treasurer, Kemble, pass out to special committees of the Legislature, nearly $10,000, last year, in defiance of the law forbidding the same.

KEEP IT BEFORE THE PEOPLE that General Hartranft, Mr. Kemble, the Radical State Committee, not a single Radical newspaper in the State, DARES DENY THESE FACTS.

KEEP IT BEFORE THE PEOPLE that we will forfeit *one thousand dollars* to Auditor General Hartranft, or any other Radical, if, upon a public investigation, before an impartial tribunal, the above statements are found not to be true.—*Patriot.*

THE RADICALS THREATEN WAR.

"There is no doubt that war will follow the election of Seymour and Blair."—*Radical Paper.*

We clip the above from a Radical exchange We have seen the same sentiment expressed by several prominent Republican papers. What does it mean? Who will inaugurate the war that "will follow the election of Seymour and Blair?" Will it be the Radicals of the North, or the negroes of the South? It will have to be one or the other, or both united, as the Democracy can hardly be suspected of any intention of making war upon a government of their own choosing.

The man who threatens the people with war is a traitor at heart, and should he and his party attempt to carry out their threats, they will be made to feel the virtue of hemp. *Seymour will be elected;* that is as certain as fate. He will be sworn in as President of the United States on the 4th day of March, 1869. After that he will attend to all Radicals who talk about war.—*Carlisle Volunteer.*

THE BAYONET CANDIDATE.

General Garfield, of Ohio, now a member of Congress, recently a military personage, formerly a professed minister of the gospel of peace, has been interpreting Grant's exclamation, "let us have peace." He made a speech the other day in which he said that it was the intention of General Grant, if elected, and of the Radical majority in Congress, to rule the country by the help of "*a little triangular piece of steel, called a bayonet.*"

We believe Mr. Garfield. We have no doubt he spoke out the real intention and fixed design of his party. Should Grant be elected we expect to see the bayonet made the ruling power in the United States. That all opposition to the Radical policy will be confronted by military power we regard as certian.

If the people have any regard for the form of government bequeathed to them by their fathers, if they would see their republican institutions preserved, if they would preserve their liberties, if they would avoid despotism, if they would not have a monarchy established in this country, they must vote for Seymour.

If they desire to see the government administered by "*a little triangular piece of steel, called a bayonet,*" let them vote for Grant. He is the bayonet candidate.—*Lancaster Intelligencer.*

NEGRO SUFFRAGE IN PENNSYLVANIA.

Tom. Marshall, of Pittsburgh, one of the most prominent Republican orators in the State, said in a speech at Bedford the other day:

"*The Negroes should have a vote in the Northern States, and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue.*"

That is what the Chicago platform means, and the doctrine will be enforced by Congress so surely as Grant is elected.

This same exponent of the creed of the Republican party said in the same speech:

"*The Negro that blacks my boots is as fully entitled to suffrage as any Democrat in the land.*"

Let it be distinctly understood and constantly remembered that a vote for Grant is a vote to support such sentiments.

ATTEND THE MEETINGS!

A number of Democratic meetings are announced in this issue. We trust that the friends of Good Government will turn out in their strength, and show the earnestness of their desire for a CHANGE!

TAXPAYERS, the Radicals tell you that the public debt is decreasing; but all we ask is a perusal of Secretary McCulloch's monthly reports, and you will discover that the debt is and has been steadily on the increase, even up to the present month. During the months of June and July the increase was $13,000,000, and during August $12,000,000. Mr. McCulloch's official reports show that from July 31, 1865, to July 31, 1868, a period of peace, the debt was increased $150,579,403 33!

JOINT DISCUSSION.—Judge Kimmell and John Cessna will hold a joint discussion at Waynesboro, Franklin county, on Saturday, the 26th of September inst.

NEGROES were imported from Boston and voted in different portions of Maine by the Radicals. Their votes were challenged, but taken by the Radical officers. But despite this fraudulent transaction, the Radical majority is reduced NINE THOUSAND.

COMPARE THEM.

It is well for reflecting men to consider *into whose hands* the leadership of the Jacobin party has fallen, in determining what course the future well-being of our country demands them to take in the coming election. All the men who had any character, and in whom any portion of the people had confidence, are shoved aside, and violent, bad men, mostly deserters from the Democratic party, and the worst characters we ever had in it, have thrust themselves into their places. Look at their names—Butler, Sickles, Logan, Cochrane, Tremaine, Forney, Nye, Cameron—these are the leaders of the Jacobin party. Dare any man who cares for peace, order, economy and purity in public affairs commit the government into the hands of such men as these? Then see who are the leaders of the Democratic party—Seymour, Hoffman, Murphy, Church, English, Parker, Sharswood, Woodward, Black, Packer, Clymer, Pendleton, Thurman, McCook, Morgan, Hendricks, Egerton, McClernand, Haight—all men of high character, and who command universal respect and confidence. No man can sit down, and candidly compare these lists of names, without feeling in his heart that the Democratic party can be more safely intrusted with power, is the truest representative of order, liberty and safety, and will prove the most faithful guardian of public interests. When so much is at stake, a vast responsibility rests upon every man who has a vote to cast. Let all weigh well their duty, before making the final decision which is so seriously to affect our country for weal or woe.—*New York Democrat.*

WHY should carrying Maine by a reduced majority be accounted as a Radical victory, and celebrated as such? The *North American* declares that the Democratic increase on the popular vote, when compared with that of the Radicals, is as "five to three." This shows that the gain is heavy in favor of the Democratic party. But all the party machinery was in the hands of the Radicals. They controlled the boards of election officers. They manipulated the 'workingmen. They coerced the hands in the large mills and manufactories, and forced the hands to operate with the majority. Money was also used in a lavish manner. But with all these appliances the Democrats added more than five thousand to their vote in one year, and reduced the Radical majority nearly eight thousand. This is doing well in New England, and the wave which thus eats away the granite rock of Radicalism, will sweep with double effect over the valleys and hillsides of the Middle and Western States. If the Democratic party can reduce the Radical strength in bigoted Vermont and iron bound Maine, then Pennsylvania, New York, Ohio, and others of the States bordering on the lakes, are certain for Seymour and Blair. The Democrats in the East have shown what can be done by pluck, labor, and organization. Let the Democracy of this State imitate their example, and the Keystone State will bury Grant by a majority of twenty thousand.—*Philada. Age.*

IT is becoming a well settled belief that the votes of nearly all the Southern States, notwithstanding the extraordinary means adopted by the Radicals to secure them, will be cast for Seymour and Blair. Some, indeed, are likely to go by tremendous majorities for the Democracy. A Georgia paper says of that State:—

We have never known such sudden, extensive, and overwhelming changes as have been wrought within the past twenty days. We had calculated, that with the accession of the ten or fifteen thousand white voters disfranchised by the military bills, and he certainty of a free election and an honest count of the ballots, we should carry the State by fifteen or twenty thousand majority. But the current of changes has set so strong with the Democracy—the demoralization of the Radicals is so complete—the organization of the Democracy so perfect—that if our friends continue their exertions to the end of the campaign with only half the zeal and activity they now manifest, *we shall carry the State by forty or fifty thousand for* SEYMOUR AND BLAIR.

THE Philadelphia *Daily News*, for a long time the leading representative of "my policy" in that city, and a Democratic organ, has taken ground in favor of Grant and Colfax.—*Telegraph.*

This is a falsehood out of the whole cloth. The *Daily News* is one of the ablest conservative sheets in the country and opposes Grant and Colfax with all its might. Will the *Telegraph* have the manliness to correct its falsehood.—*Patriot.*

IN another column will be found an account of one of the most diabolical crimes ever committed by fiends incarnate. It is instructive to remember that the principal villain was a Radical candidate for office. Is it any wonder that the people of the South protest against being put under the rule of such creatures, and the infamous white wretches who are degraded enough to associate with them, on intimate terms?

A NEGRO club recently paraded the streets of New Orleans, headed by carpet bag office-seekers, and demanded that the American flag should be taken down from the different Democratic headquarters. During the war, General Dix wrote a letter to an officer on duty, ordering him to shoot down the first man who dared to pull down the "Stars and Stripes." That sentiment was loudly applauded by the Radicals at the time. But now negroes are praised and complimented when they insult the flag, and white men who wish to protect it. This is Radical patriotism.

THE Democratic candidates for Congress and the State Senate will address the people in the Court-house next Thursday evening. Turn out!

YORK, PA., Sept. 13, 1868.

Editor Compiler:—I enclose the names, with the cash, for eight campaign subscribers to your excellent paper.

The work is going on finely in York. We have organized strong Seymour and Blair Clubs in all the wards.—"Old Democratic York" will speak in thunder tones at the coming election, and sweep Radicalism from one end to the other. We have been ruled long enough by that corrupt party, that burdened us with taxes to keep up negro suffrage and other outrages.

I was formerly a voter in your county, and feel some interest in Adams county politics yet. I have seen your ticket, and must praise it in the highest degree. It is well selected in every respect, and should receive the hearty support not only of all Democrats, but of all reflecting men. I hope the work will go on with a rush in "Little Adams."

Present.—Mr. Thomas Barry, gardener at St. Joseph's, Emmittsburg, has favored us with several mammoth canteleups and egg-plant eggs. Our friend Barry is a clever fellow and a crack gardener. He has our thanks, of course.

Horse Race.—A big race came off yesterday afternoon, in Hartzel's lane, near this place, between Dr. Tate's sorrel horse, and D. Morgan's grey, of Lancaster. The sorrel was given 50 feet in the start—the whole distance 440 yards. The grey came out at the score 12 feet ahead. There was a large crowd, and a good deal of excitement.

County Fairs.—The Adams County Agricultural Fair will be held at Gettysburg on Tuesday, Wednesday and Thursday next—with Monday for entry day.

The Franklin County Fair will be held at Chambersburg on the 6th, 7th, 8th and 9th of October.

The Cumberland County Fair will be held at Carlisle on the 14th, 15th, and 16th of October.

William Walter has sold his residence near Fairfield to Daniel Linard for $3,000—and has bought a lot in the same place from Daniel Musselman, on which he will erect a brick dwelling.

George F. Sites, as agent for the heirs of Jeremiah B. Sites, has sold the real estate of said heirs, in Hamiltonban township, to Jacob Musselman, for $1,181 25.

Hotel Project at the Springs.—We understand that a movement is on foot to raise $30,000 for the erection of a Hotel on the farm of Mr. Harmon, immediately adjoining his celebrated Katalysine Spring. He proposes to give five acres of land for that purpose. About $15,000 have been obtained already, although no general effort has yet been made.

Removal.—Rev. J. F. Wilken, late Professor of German in Pennsylvania College, left Tuesday week, with his family, for Honesdale, where he will engage in pastoral labor. The good wishes of our community attend him.

Rev. Dr. Valentine moved into the President's House, College Campus, on Tuesday week, Mrs. Baugher occupying Dr. V.'s late residence.

Graded Schools.—The School Directors of Hamiltonban township have sold the old school-house and lot in Fairfield to Jacob Musselman for $178, have purchased from A. C. Musselman a lot further up town for $300, and have contracted with Joseph Smith for a new two-story building, to be built of brick, 27x35 feet, for $1,995—the object being to have a building suitable for graded schools.

The Fair.—The Fair grounds are ready. The track has been scraped and rolled, and is in fine condition. All the fencing, stalls and buildings have been white washed, and look fresh as new. There is plenty of hay and straw on the ground for stock, with a large supply of water. The Secretary's and Treasurer's offices are ready for occupancy, whilst the main hall will be put in proper trim to-morrow.

The people of Adams and surrounding counties are expected in immense numbers—even greater than last year. The Railroad Company is making the fullest arrangements to bring and return passengers expeditiously, as well as cheaply. The hotels are also preparing largely.

The prospect is good for a creditable Exhibition. The wet weather has thrown our farmers back somewhat, but it is hoped that they will not allow it to prevent their stock, products and implements from coming. The character of the county is involved, a fact which all its people should appreciate. Come to the Fair!

Railroad Arrangements for the Fair.—The Gettysburg Railroad Company has made arrangements with the Northern Central Railway to sell excursion tickets to Gettysburg from all stations between Baltimore and Harrisburg, during next week, to accommodate persons wishing to attend the Agricultural Fair. The Hanover Branch and Littlestown Railroads will also sell excursion tickets. The rates for round trip tickets will be as follows: From Baltimore to Gettysburg and return $3.85, Harrisburg $3.75, York $2.20, Hanover Junction $1.50; Jefferson $1.25, Porter's $1.10, Smith $1.05, Littlestown $1.15, Hanover 75 cts., Oxford 50 cts., Gulden's and Granite 25 cts. The tickets will be good on any train, from the 21st to the 25th inst. On the 22d, 23d and 24th a special train will leave Hanover Junction for Gettysburg each morning at 7.40, passing Hanover at 8.30, and Oxford at 9, and arriving at Gettysburg at 9.45 A. M. This train will leave Gettysburg each of those days at 4 P. M., and reach Hanover Junction at 6 P. M. Passengers from Harrisburg and York can reach the Junction to connect with this train in the morning, and spend more than six hours in Gettysburg, and return to York and Harrisburg the same evening.

Now Is The Time.—Housekeepers can economize by laying in their winter coal at once, as freights are now lower than they will be a month hence, and Coal will necessarily rise. Persons desiring to save money, will do well to call at once on Col. C. H. Buehler, who is prepared to furnish all kinds of Stove, Blacksmith and Lime-burner's Coal at lowest market prices. tf

EQUALITY.—A few niggers down South have elected a carpet-bagger to Congress, who formerly kept a dance house in New York.

FRIGHTFUL EARTHQUAKE.

APPALLING CALAMITY.—On the 13th ult., a terrible earthquake visited the cities along the coast of Peru and Ecuador, whereby thirty-two thousand lives were lost, and property valued at $300,000,000 was destroyed. A rumbling sound preceded the earthquake, and the sea flooded the land for a great distance.

Arequipa, a city of thirty five thousand inhabitants, has passed away, scarcely a vestige of it being left. Only 400 lives were lost there. Arica, a town of 12,000 inhabitants, was also destroyed, not a house being left standing. In this town 500 persons perished. A tidal wave, forty feet high, rolled with terrific force on shore, carrying ships further on land than was ever before known. The United States storeship Fredonia capsized, and all on board were lost. She had on board naval stores valued at $1,800,000. She was rolled over, and smashed to atoms.

The United States steamer Wateree was carried half a mile inland, left high and dry, but only one sailor was drowned. Owing to her great distance from the sea, she can never be got afloat again.

The Peruvian corvette America was also carried ashore, and 33 of her crew were drowned. The American merchantman Rosa Rivera, the English ship Chancellor, and the French bark Equarqo were also lost.

The towns of Iquique, Moquegua, Locambia, and Pisagua were all utterly destroyed. Over 600 people perished at Iquique. The Americans lost heavily, and nearly all are totally ruined. The towns of Ilarra, San Pablo, Atuntaqui, and Imutad are in ruins. Where the town of Contencha formerly stood is now a lake. The people of these towns were almost entirely destroyed. The towns of Pancho, Pueflaro, and Cachinguo were also destroyed. The dead bodies are so numerous that the survivors have been forced to flee from the stench of the putrefying bodies.

Another Horrible Negro Outrage.

BRIDGEPORT, Conn., September 14. A negro named John Hawley who acknowledges having for several Sundays committed a rape on a little girl named Anna Kublesky, aged 12 years, in the woods at Stratford, while she was on her way to Sabbath school, was detected last Sunday in the act and run down by Peter and Charles Wolf, uncles of the girl. He jumped into the creek and was rescued from drowning just as he was going down the last time. He is held under $3,000 bonds.

THE Radicals admit that the troops employed in the Southern States to carry out their infamous scheme of reconstruction cost in one year over eighteen millions of dollars! Is it any wonder that about five hundred millions must be raised annually by taxation, to meet the expenses imposed upon us by a corrupt and infamous party?

GEN. MCCLELLAN COMING.—The announcement that General McClellan is coming home, will be hailed with pleasure by thousands of his admiring fellow citizens. It is announced that the hero of Antietam will return on the 20th of September inst., and will take an active part in the campaign for Seymour and Blair. The soldiers will turn out en masse to greet their favorite General, when his feet shall again press our shores.

WASHBURNE, of Illinois, while urging Congress to adjourn, said:

"He desired an adjournment at the earliest possible moment, for if they went up as the rate they were going the government would have neither money nor credit left."

What an admission for a leading Republican to make on the floor of Congress, and in the face of the American people!

A New Remedy for Consumption.

A Physician who had Consumption for several years, with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopeless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine, and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others, induced him to hazard the experiment. To those suffering with any disease of the lungs he proffers a treatment he confidently believes will eradicate the disease. Medicine sent by express. Send for a circular or call on

SORREL.

There are few weeds more troublesome than sorrel, or more difficult to eradicate. Experience, however, seems to show that marling or liming, in a proper way and in sufficient quantity, will destroy the pest, and prevent its future development. The growth of sorrel is the result of acidity in the soil, and lime, by its alkalescent and sweetening action, tends to neutralize and correct The growth of sorrel is far more common on light, sandy soils, of an anticalcareous character, than on lime formations, where, indeed, it rarely appears. The quantity of lime that may be economically used, is a question to be decided by trial. It is rarely the case that argillaceous soils, or those containing a large percentage of clay, produce this plant, although such is sometimes the case. Whenever it appears, the immediate application of lime and tillage is the only remedy. Too much cannot be said in favor of lime as a manurial agent. In all composts, of whatever materials formed, and for whatever uses designed, it should enter as an ingredient—the quantity being of course graduated by the character and vegetative capacity of the soil to which it is to be applied—the nature of the crop being in a majority of cases merely a collateral consideration. In the reduction of green vegetable matter, the use of quick lime is, indeed, indispensable. The heat produced by it in slacking engenders a speedy fermentation, which results in its decomposition and the breaking up of the vegetable structure more effectually than it can be effected by any other process.

STRAW stacks, from early threshed grain, should be made as carefully as stacks of hay. Straw is valuable in many ways, being always readily eaten by stock in the winter, and is well worth saving, bright and clean, instead of being thrown into irregular heaps, to become irregularly soaked with rains, and spoiled for all practical use. It is rare to see a properly constructed straw stack, though any man of ordinary skill can make one. The main point is to get good-sized forkfuls to place compactly round the outside, and another series of similar forkfuls to put inside and partly on top of it to bind the outside tier. Tread firmly and keep the middle well filled. It is better to arrange to put all the straw in one large stack, rather than in two or three small ones, and it is better to have it a little too high than too wide with a flat roof. It may take an extra man to make the high roof, but it will pay. Another point to be specially attended to is to throw the chaff into the middle of the stack, or at least not to leave it in a heap where it drops from the carrier. The weak spot is the stack, and where the rain is almost sure to do the most damage, is on the side next the carrier. Special care should be taken to get the chaff and short straw away and to build up around the carrier with long straw.

APPLE TREE SUCKERS.—Many otherwise good orchards are allowed to become defaced, as well as seriously injured, by allowing a profusion of suckers to grow at the base of the trunks. Attempts are sometimes made to get rid of them by cutting them off down to the surface of the ground, leaving considerable portions below in the form of short stumps. These sprout again, and they soon become as bad as ever. A better way is to wait till they are in leaf, at which time they are loosened more readily, and taking each separately in the hands, and placing a thick boot upon it near the tree, they are quickly separated. If done at the time they will not be likely to sprout again.

It is a well-known truth in horticulture that like produces like, and we think the best way to avoid *suckers* is to be sure the tree is raised from one that was budded on a seedling stock. Too many of our tree growers gather up suckers in their grounds and bud on these waste roots, which must reproduce a bad tree. Never bud on a sucker. Root grafting also produces them. This, too, is a bad practice.

DYSPEPSIA.

Indigestion, Sick Headache, Sourness or Acidity of the Stomach, Rising of Food, Flatulency, Lassitude, Weariness, Biliousness, Liver Complaint, finally terminating in Death,

all regard upon the attention and trial of sufferers from this most horrible of all diseases. Dyspepsia shows its ravages in a thousand different forms, in fact, all disorders of the stomach and Bowels, with all their complaints, such as Sick Headache, Heartburn, Depression, general sense of uneasiness and feeling that you are not well. Food distresses you, rises and sours on your stomach; breath is bad; skin at times flushed and hot; don't feel as if you could move or stir about, and worst of all, Indigestion or Constipation, are nothing more or less than Dyspepsia. Thousands upon thousands suffer and die this way and neither themselves or physicians know what ails them except that they are surely dying.

Reader, we repeat it, this is all Dyspepsia. If you would have proof of our statement, if you would save yourselves and children from an early grave, if you would have health and energy and strength, again we beg you try one bottle of

COE'S DYSPEPSIA CURE.

You will see how soon it will dispel your bad feelings and gloomy forebodings. How soon it will chase away and banish all Dyspepsia. How soon it will give you new life and vigor, and how soon it will make a well man or woman of you. For your own sake, for the sake of everybody suffering, we beg, we entreat you to try it.

For Liver Complaint & Bilious Derangements

It is a Sovereign Remedy, while for Fever and Ague, and all those diseases which are generated in a miasmatic climate, it is a certain preventive and cure.

Think what wonderful medicinal virtues may not stand alone on our statement, we append a few unsolicited testimonials from those whose position in society and reputation as citizens will place their evidence beyond all question, and carry with them strength and conviction to the most incredulous.

Mr. Lester Sexton, a wholesale merchant of 30 years, in Milwaukee, one of the most reliable and careful men in the State, says, under date

MILWAUKEE, Wis., Jan. 24, 1868.

MESSRS. C. G. CLARK & Co., New Haven, Conn.

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved PERFECTLY satisfactory as a remedy. I have NO HESITATION in saying that we have received GREAT BENEFIT from its use.

Very respectfully,

(Signed) LESTER SEXTON.

(From Rev. Isaac Aiken, Alleghany, Pa.)

MESSRS. STRONG & ARMSTRONG,

Gentlemen—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been for a number of years greatly troubled with Dyspepsia, accompanied with violent paroxysms of constipation which so prostrated her that she was all the while, for months, unable to do anything. She took, at your instance, Coe's Dyspepsia Cure, and has derived GREAT BENEFIT FROM IT, and is now comparatively well. She regards his medicine as a great blessing. Truly yours,

Jan. 13th, 1868. L. F. WARD.

JOSEPH FLEMING, Druggist,
No. 84 Market Street, Pittsburg.

SIR:—I take great pleasure in stating that, after having suffered from dyspepsia for about fifteen years, in some part looks much more than others, I have been entirely cured by the use of Coe's Dyspepsia Cure. My friends know that of late years my case has been an extreme one. I had great suffering from eating any kind of food, and on an average would vomit about one-third of my meals, in a sour indigestible mass. While the severe attacks would come, I would lose all strength and be utterly helpless. Some of the attacks would be so severe that together I would not retain anything on my stomach, save a little dry toast and tea. For years I knew not what it was to pass five recent hours without intense pain. From the time I took the first dose of this medicine I ceased vomiting, gradually all soreness passed away, and flesh and strength returned, and ever since I have been able to eat any kind of food set upon the table. Six months have now passed without any symptoms of the return of the disease. My case was considered by all, even physicians, so marvelous, that for a time it was feared it might be fatal—but I was now so well convinced that I have been not merely relieved, but permanently cured, that I can conscientiously recommend Coe's Dyspepsia Cure to all victims of dyspepsia.

ISAAC AIKEN,
Late Pastor of the Beaver St., M. E. Church, Allegheny.

CONCLUSIVE EVIDENCE.

NEW HAVEN, Ct., June 2, 1867.

MESSRS. C. G. CLARK & Co.

GENTS:—Being anxious, from the great benefit derived, to assist in spreading the fame of Coe's Dyspepsia Cure, I would state my case. Something over a year ago, I had a violent attack of Diarrhea, which lasted eight weeks, during which time I employed three physicians, but to no benefit, until I tried Coe's Dyspepsia Cure. The first dose helped me; I took it three times a day for a week and was entirely cured; and I believe to-day that it saved my life. Being attacked in a similar way this season, I took one dose, which put me all right. I would advise every family to keep it on hand for immediate use, in case of Summer or Bowel Complaints.

C. DUNN.

The above Mr. Dunn is in our employ, and we can vouch for the above statement being true. E. ARNOLD & CO.
